

Submission Guidelines for Illustrative Material

For certain publications Fremantle Press uses the services of freelance illustrators, artists, and photographers. Accordingly Fremantle Press maintains a folio of sample material from photographers, artists and illustrators of Western Australian origin or whose normal place of residence is Western Australia.

To submit sample work please compile a single, one-sided, colour A3 sheet, including:

- examples of your work
- your name, phone number and email address

Please note:

- Sample material will not be returned.
- Sample material will not be used in any way without specific permission from the artist.

To update your details, please provide a new A3 sheet with a note to replace the old one in our folio.

PLEASE DO NOT SUBMIT ORIGINALS

Submissions should be sent to:
