Celebrating

Kate Lamont

New expanded edition

About the book

This beautifully illustrated Kate Lamont cookbook is overflowing with ideas for celebration dining. This revised edition has a fresh new internal design and new recipes from Kate.

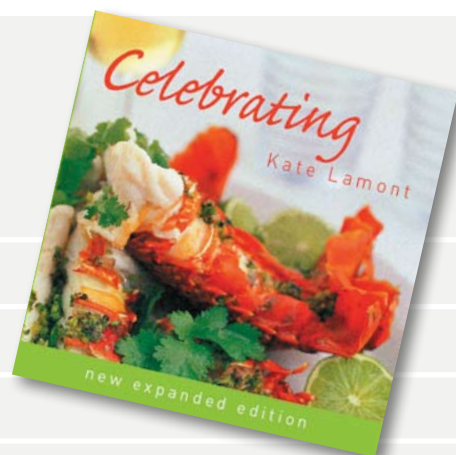

In her own unique style Kate has also included suggested menus to make planning those special events easy, and to ensure cooking them is fun and successful while giving them her own special touch.

The Lamont name is synonymous with quality food and wine, from the successful vineyard and restaurant in the Swan Valley, WA, to the elegant restaurant and its highly regarded dining experience in East Perth, as well as her popular hampers and take-out food for more informal occasions.

Kate's first book, *Family, Food and Friends* introduced her to a wider audience and became a best seller, and *Celebrating* confirms her status as a popular and nationally recognised chef with a whole new range of delicious food to try.

About the Author

Kate Lamont lived in the Swan Valley, Perth for the first thirty years of her life. She discovered a passion for cooking while pursuing a career as a winemaker. In the mid-eighties, Kate and sister, Fiona opened a restaurant at the Swan Valley Winery. With an emphasis on fresh, simple food, the restaurant has proved an enduring success. In the mid-nineties, Kate and Fiona opened a Lamonts' outlet in Perth focussing on fine produce, catering, takeout and hampers. The business also operates restaurants in Margaret River and East Perth. Kate will open a fourth wine and food venue in 2008.
