From Coast to Country

WATERWISE GARDEN DESIGNS
FOR AUSTRALIAN LIVING

NEIL AND JENNY DELMAGE

'The pair's passion for creating waterwise gardens is obvious here, as is their approach to gardening from a sustainable and ecological perspective ...'

Helen Thomsson, *Your Garden*, Summer 2010

About the Book

For over two decades, the landscape designs of Neil and Jenny Delmage have been setting the standard for Australian gardens that are waterwise, biodiverse, low-maintenance – and breathtakingly beautiful.

In this book the husband-and-wife team take us from coast to country, revealing some of their most spectacular landscape designs.

About the Authors

Neil and Jenny Delmage have been designing and building beautiful gardens for over twenty years. They work on projects ranging from tiny courtyard spaces to sprawling rural properties and everything in between, including commercial gardens. Their work reflects a special focus on environmentally friendly gardening and on reducing water consumption.

Media notes

- All-Australian content to enable the creation of environmentally friendly gardens with reduced water consumption without compromising on style.
- The authors have won a reputation for designing gardens friendly to changing climate conditions.
- The authors have won a Landscape Design and Irrigation Award of Excellence for waterwise gardening and an Institute of Landscape Architecture Award of Excellence plus the Institute's Landscaper of the Year award.
- The Delmages have featured on national television, including Gardening Australia, The Garden Gurus and Burke's Backyard.
