real food for dogs & cats

a practical guide to feeding your
pet a balanced, natural diet

BY DR CLARE MIDDLE

There can be little doubt that the solution to the health problems assailing modern pets lies ultimately in their return to a more natural diet. This book will help continue the forward march of balanced, whole, raw foods as the gold standard approach to the health of today's companion animals.

Dr Ian Billingham B VSc (Hons), B Sc Agr, Dip Ed
Veterinary surgeon, acupuncturist, and author.

ABOUT THE BOOK

Real Food for Dogs and Cats is for every pet lover who wants to ensure their cat or dog has the best chance of a long and healthy life.

This no-nonsense guide to natural and balanced pet nutrition has simple, practical and effective ways to keep pets in top condition.

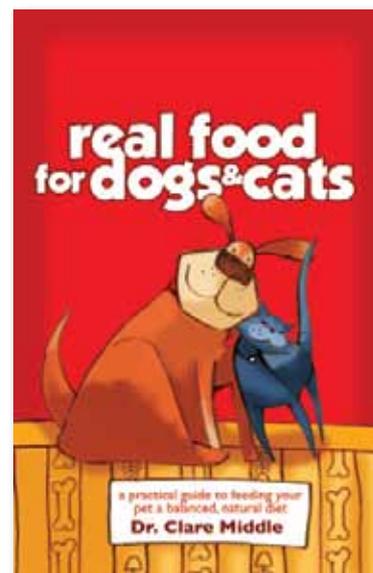

Dr Clare Middle combines a wealth of experience with sound science in this easy-to-use book. This is a must for all pet owners, breeders, veterinarians and animal health professionals wanting to feed dogs and cats the natural way.

ABOUT THE AUTHOR

Dr Clare Middle is a veterinarian with over 25 years experience treating dogs and cats with both conventional and complementary veterinary medicine. She writes regular articles and Q&A columns for media outlets such as *Nova Magazine*.
