

## MEDIA RELEASE

# TAKE OUT

by FELICITY YOUNG

new  
edition

### ABOUT THE BOOK

When DSS Stevie Hooper steps into the empty Pavel house and someone else's jurisdiction, she upsets more than the ego of a struggling suburban cop. She has breached the defences of a group that has, at its rotten heart, a disregard for human life.

### ABOUT THE AUTHOR

Felicity Young was born in Hanover, Germany, in 1960 and went to boarding school in the United Kingdom while her parents were posted around the world with the British Army. She took up writing after moving to rural Western Australia in 1990. Having a brother-in-law who is a retired police superintendent, it was almost inevitable she would turn to crime writing.

### KEY POINTS

- *Take Out* is the third book in the DSS Stevie Hooper series that includes *An Easeful Death* and *Harum Scarum*.
- Young is also the author of the Dr Dody McClelland Mysteries and the Cam Fraser Mystery series, both published by Harper Collins.
- *The Insanity of Murder* was a US bestseller and Young's historical mysteries have been top ten bestselling ebooks in their category throughout 2015.
