

# Where does each instrument sit in an orchestra?

Maddie and Katy used to be best of friends, but now they're drifting apart. So when new girl Samara comes along, Maddie sees a chance to make a new best friend. But Samara has a secret, and soon Maddie is drawn into something she knows is wrong, but she desperately wants to help her new friend.

Maddie gets caught in the middle of a rivalry between Katy and Samara in music class, in which Katy plays the flute, Maddie plays the clarinet and Samara plays the piano. Organise the musical instruments below into their instrument families - brass, woodwind, strings or percussion - and write them in the correct section of the orchestra.
